EXPECT EXCELLENCE
Performance Bull and Female Sale

FRIDAY, JANUARY 22, 2021
1:00 P.M. CST

at the Farm • Dahlen, North Dakota

SELLING:
69 YEARLING BULLS • 19 OPEN HEIFERS
Dear friends,

First of all, it is my pleasure to welcome you to our 21st annual production sale. Since our first purchase of Simmental genetics in 1990, it has been our goal to raise the highest performance cattle possible, seeking genetics from across the country to provide you with the best possible. Our sale will again be held in the Ellingson Event Center at the farm south of Dahlen, ND with DV Auction providing online bidding to provide you with the option of buying from home. We will have the animals available for you to view the morning of the sale, but understand with the Covid situation in our world that you may choose to purchase online. We will practice social distancing and do everything we can to keep our customers safe. We would like to thank our previous customers and new buyers for your interest in finding the best performance genetics in the business!

The quality of the genetics offered is the best from top to bottom that we have ever offered. Almost all lots are sired by AI sired proven bulls that provides us with the most reliability and predictability in the industry. Our entire female base has been on ASA’s Cow Herd Roundup, giving us more reliable EPD’s along with tracking polled and color status. We have also been awarded the Performance Advocate award by ASA which involves taking performance weights and ultrasound evaluation on the entire calf crop. All of this genetic evaluation not only helps us track our progress, but gives you more reliability in the performance genetics that you are purchasing. We have utilized embryo transfer now for several years and brought in some donor cows with Strommen to provide you with a broader base of genetics to choose from.

We probably had one of the most amazing crop and pasture years on record. We were blessed with rainfall almost every week until it finally shut off in August, and has been very dry ever since. Our crop yields were very good and the pastures were very lush, which may have limited some of the calves performance due to too much water in the grass. Even through all of this, the calves came home in great shape on September 23 and have been doing very well. The embryo calves starting with H1036 came home in early November, and without creep feed it makes them a bit hard to compare with our older bulls that had creep feed, and we have not had enough time since weaning on them to get comparable data with the rest.

The bulls have been fed a TMR rations since weaning, feeding seven pounds of corn, one pound supplement, twenty pounds corn silage, six pounds of chopped alfalfa, and free choice grass hay to ensure adequate growth, building muscle and not fat and insuring longevity in your bull purchase. The average daily gain data was calculated from 80 day feeding since weaning.

We will ultrasound all bulls and heifers before the sale for rib eye size, marbling and backfat. The bulls will be fertility tested with scrotal measurements taken. If there is any DNA data that comes in after the sale catalog is published we will have that on our web site ellingsonsimmentals.com, along with videos of the animals. The catalog and videos will also be on DV Auction web site for your viewing. Be sure to register early with DV Auction if you are interested in viewing and bidding with this method.

We once again welcome Strommen Simments from Arthur as a guest consignor, he is bringing a stout set of bulls this year.

We invite your inspection of our herd before the sale and welcome you to a meal starting at 11 am in the Ellingson Event Center. If you cannot make it to the sale and prefer not to bid on the internet, we will have phone service available, please contact myself or my herdsman Bryan Haugen ahead of time so we can have someone on the phone with you.

The year 2020 will go down in history as one that has touched every human on this planet in one way or another. I trust that we all will get through this and be a better society in the future, but for now we still need to use caution in our gathering and make sure all stay safe. I understand if you wish to stay home and bid, whether on DV Auction or with one of us on the phone, just let us know your wishes.

Once again, we would like to thank you for your support and interest in our breeding program. Let us know if we can be of assistance in your sale selection process or have any further questions. Thanks again, stay safe and God Bless!

God Bless,
Terry Ellingson

1. **ELLINGSON DIVIDEND H01**  
   **ASA# (3772358)**  
   **Owner by:** ELLINGSON SIMMENTALS • Homo Polled PB Bull

   **Tattoo:** H01  • Birthdate: 1/12/20  • Act. BW: 65 lbs.  • Adj. BW: 71 lbs
   **Adj. WW:** 668 lbs.  • Adj. YW: 993 lbs.  • ADG: 4.83 lbs.  • WDA: 4.16 lbs.

   **Sire:** CLRS DIVIDEND 405D  
   **Dam:** ELLINGSON DOMINATOR 8487

   Homozygous black, homozygous polled son of CLRS Dividend, known for siring deep, stylish cattle with great calving ease, will work good on heifers. His dam is a beautiful Tanker daughter with a Dominator granddam, so packed with calving ease!

2. **ELLINGSON CPT MORGAN H02**  
   **ASA# (3772309)**  
   **Owner by:** ELLINGSON SIMMENTALS • Homo Polled PB Bull

   **Tattoo:** H02  • Birthdate: 1/18/20  • Act. BW: 101 lbs.  • Adj. BW: 101 lbs
   **Adj. WW:** 786 lbs.  • Adj. YW: 1365 lbs.  • ADG: 4.34 lbs.  • WDA: 4.13 lbs.

   **Sire:** SVS CAPTAIN MORGAN 11Z  
   **Dam:** ELLINGSON DOMINATOR W905

   Homozygous black, homozygous polled son of Captain Morgan, he has sired many top selling bulls in previous sales. He will sire calves with great depth, thickness and performance. His dam side is solid, with my favorite Preferred Stock granddam present, highly maternal!

3. **ELLINGSON BLACKHAWK H03**  
   **ASA# (3772369)**  
   **Owner by:** ELLINGSON SIMMENTALS • Homo Polled 1/2 SM Bull

   **Tattoo:** H03  • Birthdate: 1/19/20  • Act. BW: 73 lbs.  • Adj. BW: 73 lbs
   **Adj. WW:** 682 lbs.  • Adj. YW: 1263 lbs.  • ADG: 4.09 lbs.  • WDA: 3.97 lbs.

   **Sire:** CONNEALY BLACKHAWK 619B  
   **Dam:** ELLINGSON MS WRANGLER D626

   Homozygous black, homozygous polled half blood son of Connealy Blackhawk, who sires elite growth with extra body length and stoutness, along with strong maternal qualities. This bull will sire calving ease with leading performance.

4. **ELLINGSON EAGLE H06**  
   **ASA# (3772404)**  
   **Owner by:** ELLINGSON SIMMENTALS • Homo Polled PB Bull

   **Tattoo:** H06  • Birthdate: 1/20/20  • Act. BW: 70 lbs.  • Adj. BW: 76 lbs
   **Adj. WW:** 739 lbs.  • Adj. YW: 1419 lbs.  • ADG: 3.98 lbs.  • WDA: 3.85 lbs.

   **Sire:** HOOK’S BLACK HAWK 50B  
   **Dam:** ELLINGSON NOPHALT U872

   This is a homzygous black, homozygous polled son of Hook’s Eagle, who sires great calving ease and growth with a fancy profile, dimension and muscle. He has the third highest ADG in the pen and the sixth highest adjusted yearling weight. Watch his calves push the scale down!
Yearling Bulls

**ELLINGSON PROCLAIM H07** ASA# (3772345)

Tattoo: H07 • Birthdate: 1/22/20 • Act. BW: 73 lbs • Adj. BW: 79 lbs
Adj. WW: 725 lbs • Adj.YW: 1295 lbs • ADG: 4.30 lbs • WDA: 3.85 lbs.

**EPDs**

- BW: -1.2
- WW: 84.4
- YW: 132.4
- MCE: 7.7
- MM: 26.2
- MWW: 60.3

Dark cherry red, dilution free, homozygous polled son of Perception, who sires moderate framed, deep sided bulls with added muscle, along with breed leading calving ease, performance and carcass merit. With Mission Nexus on the dam side, he is a sure bet heifer bull with calves that will push the scale down!

**ELLINGSON RED SUMMIT H17** ASA# (3772290)

Tattoo: H17 • Birthdate: 1/26/20 • Act. BW: 99 lbs • Adj. BW: 100 lbs
Adj. WW: 829 lbs • Adj. YW: 1387 lbs • ADG: 3.76 lbs • WDA: 3.79 lbs.

**EPDs**

- CE: 7.6
- BW: 3.3
- WW: 91.5
- YW: 144.8
- MCE: 4.2
- MM: 29.7
- MWW: 75.4

A red, dilution free, heterozygous polled son of Harvie Red Summit, who continues to sire championship phenotype with exceptional growth and calving ease to boot! He has the third highest adjusted weaning weight in the pen, seventh highest weight per day of age and eighth highest adjusted yearling weight.
**YEARLING BULLS**

**ELLINGSON EX ORDER H22**  
**ASA# (3772293)**  
Owned by: ELLINGSON SIMMENTALS • Hom Polled PB Bull

- **Tattoo:** H22  •  **Birthdate:** 1/27/20  •  **Act. BW:** 74 lbs.  •  **Adj. BW:** 80 lbs  
- **Adj. WW:** 798 lbs.  •  **Adj. YW:** 1322 lbs.  •  **ADG:** 3.64 lbs.  •  **WDA:** 3.75 lbs.

**Sire:** W/C EXECUTIVE ORDER 8543B  
**Dam:** ELLINGSON HOPE F847

Red, dilution free, homozygous polled son of Executive Order, whose dam by Red Summit and Granddam is Red Jewel. Quite the popular red pedigree and looking at his EPD’s you can see why. Great calving ease along with exceptional performance and awesome carcass EPD’s will make him a sale day favorite! Tenth highest adjusted 205 day weight, no holes in this bull!

**ELLINGSON BOOTLEGGER H23**  
**ASA# (3772302)**  
Owned by: ELLINGSON SIMMENTALS • Hom Polled PB Bull

- **Tattoo:** H23  •  **Birthdate:** 1/27/20  •  **Act. BW:** 97 lbs.  •  **Adj. BW:** 97 lbs  
- **Adj. WW:** 768 lbs.  •  **Adj. YW:** 1167 lbs.  •  **ADG:** 3.90 lbs.  •  **WDA:** 3.75 lbs.

**Sire:** TNT BOOTLEGGER Z268  
**Dam:** ELLINGSON MS BANGER B482

A red, dilution free, homozygous polled son of Bootlegger, who has sired many great red bulls in Canada and the USA, if you can find a bull with more dimension I would like to see him. This guy has been a truck since birth, just tremendous depth of rib along with superior thickness will make him popular. Wait till his calves hit the scales, look out!

**ELLINGSON CPT MORGAN H24**  
**ASA# (3772319)**  
Owned by: ELLINGSON SIMMENTALS • Hom Polled PB Bull

- **Tattoo:** H24  •  **Birthdate:** 1/27/20  •  **Act. BW:** 95 lbs.  •  **Adj. BW:** 95 lbs  
- **Adj. WW:** 784 lbs.  •  **Adj. YW:** 1362 lbs.  •  **ADG:** 3.66 lbs.  •  **WDA:** 3.65 lbs.

**Sire:** SVS CAPTAIN MORGAN 11Z  
**Dam:** ELLINGSON 680S W903

This red, dilution free, homozygous polled bull is out of two black parents. He is sired by the great Captain Morgan and his dam is by Top Gun. Although his mother was killed by lightning this summer, he still weighed 855 pounds at weaning. He will sire show type profile with tremendous growth and thickness, this one is the real deal!

**ELLINGSON ULTIMATE H25**  
**ASA# (3772320)**  
Owned by: ELLINGSON SIMMENTALS • Hom Polled PB Bull

- **Tattoo:** H25  •  **Birthdate:** 1/27/20  •  **Act. BW:** 102 lbs.  •  **Adj. BW:** 102 lbs  
- **Adj. WW:** 709 lbs.  •  **Adj. YW:** 1262 lbs.  •  **ADG:** 3.65 lbs.  •  **WDA:** 3.65 lbs.

**Sire:** W/C EXECUTIVE ORDER 8543B  
**Dam:** ELLINGSON MS DREAM U839

This heterozygous black, homozygous polled son of Ellingson Ultimate is an example of the quality this bull sires. They are very long with tremendous depth and thickness which allows them to pack the pounds on and push the scale down. If you are looking for a bull that can sires calves with growth and style, here he is!
**ELLINGSON RIDDLER H32**

**ASA# (3772281)**

- **Owned by:** ELLINGSON SIMMENTALS • Home Polled 3/4 SM Bull
- **Tattoo:** H32 • Birthdate: 1/28/20 • Act. BW: 103 lbs. • Adj. BW: 106 lbs
- **Adj. WW:** 791 lbs. • ADG: 3.61 lbs. • WDA: 3.65 lbs.

- **MM:** 25.1 API: 129
- **MWW:** 70.6 TE: 90

A homozygous black, homozygous polled son of Riddler that is as fancy as they come. Riddler may be one of the most complete Simmental bulls in the industry, he has a pedigree with proven cow families with tremendous phenotype. He sires top weaning and yearling growth, adding power and performance with respectable calving ease. H32 has the third highest weaning EPD, the fourth highest ADG, fifth highest WDA and the third highest adjusted yearling weight.

**ELLINGSON ULTIMATE H36**

**ASA# (3772391)**

- **Owned by:** ELLINGSON SIMMENTALS • Home Polled PB Bull
- **Tattoo:** H36 • Birthdate: 1/29/20 • Act. BW: 106 lbs. • Adj. BW: 109 lbs

- **MM:** 27.7 API: 105
- **MWW:** 75 TE: 78

Homozygous black baldy, homozygous polled son of Ellingon Ultimate, a true performance bull, ranks in the top one percent of the breed for weaning and yearling weight EPD’s. His maternal line is one of my favorites, proven genetics!
Another great homozygous black, homozygous polled son of Ellingson Ultimate, his sons really prove his powerful performance numbers. He is in the top one percent of ASA bulls for weaning, yearling and ADG EPD's. His birth weight EPD is moderate, this guy is going to make a huge difference in the performance of your calf crop! His eleven-year-old mother has always brought a great one home!

**W/C EXECUTIVE ORDER 8543B**

**Sire:** ELLINGSON ULTIMATE F830  
ELLINGSON CPT Morgan C572  
SRS J914 PREFERRED BEEF

**Dam:** ELLINGSON MS PBEF W972  
ELLINGSON MS JOKER N336

A homozygous black, homzygous polled son of Hooks Eagle, all of our Eagle calves are out of first calf heifers and had no issues calving, small and quick to get up and nurse. This bull is very attractive in his profile, small headed with a smooth shoulder, should make for calving ease.

**HOOK’S BLACK HAWK 50B**  
**HOO K’S EAGLE 6E**  
**HOOK’S CRYSTAL 1C**  
**LIFE THE RIDDLE R 323B**

**Sire:** HOOK’S EAGLE 6E  
**Dam:** ELLINGSON RIDDLER F8060  
ELLINGSON NOPHALT U872

Wow, is this a very fancy looking bull. Dark red, homzygous polled with performance to burn, the Harvie Red Summit bulls are like peas in a pod, very consistent in their style and excellent performance, the kind you want to bring to town. Ranked tenth highest in ADG in the pen. If you like them fancy and can sire those extra pounds, take a good look!

**KWA FLYF RED MOUNTAIN 16Z**  
**HARVIE RED SUMMIT 54B**  
**HARVIE DAKOTA ROSE 11Z**  
**R PLUS HARD ROCK 145X**

**Sire:** HARVIE RED SUMMIT 54B  
**Dam:** ELLINGSON HARDROCK C5041  
ELLINGSON MS GANUFF D2K

A fancy Captain Morgan son that is heterozygous black, homzygous polled. The Captain Morgan calves are all consistently good, they are very correct and complete with amazing performance numbers. This is a prime example of just how good a sire he is, his maternal side is just as amazing!

**HARVIE JDFWALLBANGER111X**  
**SUNNYVALLEY BLK JENNA 88U**  
**TJ POWER GRID 363Y**

**Sire:** SVS CAPTAIN MORGAN 11Z  
**Dam:** ELLINGSON MS GRID D689  
ELLINGSON MS 608S A328
This is a red, dilution free, homozygous polled son of WFL Westcott that is a performance powerhouse, ranks fourth in weaning weight EPD, tenth high in yearling weight EPD and sixth high in weight per day of age. He ranks in the top one percent in weaning and yearling EPD in the Simmental breed, top two percent in maternal weaning weight and carcass weight, and top three percent in ADG in the breed.

This is a red, dilution free, homozygous polled son of WFL Westcott that is a performance powerhouse, ranks fourth in weaning weight EPD, tenth high in yearling weight EPD and sixth high in weight per day of age. He ranks in the top one percent in weaning and yearling EPD in the Simmental breed, top two percent in maternal weaning weight and carcass weight, and top three percent in ADG in the breed.

A fancy homozygous black, homozygous polled son of TJ Roosevelt, who sires a combination of calving ease, growth and carcass. Roosevelt ranks in the top ten percent of the breed for 12 traits. H50 is very attractive with added muscle and dimension, his United dam gives him extra grow! He ranked sixth in the pen for average daily gain!

A beautiful heterozygous black, heterozygous polled son of none other than Dream On, sire of countless champions across the country. His mother was one of the highest performance red cows that we owned, she is now gone but her legacy lives on. H52 is the ninth highest adjusted 205 day weaning weight bull, seventh highest ADG, fourth highest WDA and the fifth highest adjusted yearling weight.

This heterozygous black, homozygous polled son of W/C Bankroll carries the Red Charlie gene. What that means is you need to treat him as a heterozygous black bull as he can sire a red calf. This doesn’t affect the quality of the animal, only the color calves he will sire. This bull is as pretty as a picture, has the combination of calving ease, carcass and great performance, what a herd sire he will make!
ELLINGSON BANKROLL H58

Owned by: ELLINGSON SIMMENTALS • Homo Polled PB Bull

Tattoo: H58 • Birthdate: 2/4/20 • Act. BW: 83 lbs. • Adj. BW: 83 lbs
Adj. WW: 689 lbs. • Adj. YW: 1045 lbs. • ADG: 2.93 lbs. • WDA: 3.48 lbs.

W/C LOADED UP 1119Y
Sire: W/C BANKROLL 811D
MISS WERNING KP 8543U
ELLINGSON APEX Y156
Dam: ELLINGSON MS APEX 8480
ELLINGSON MS 740T X51

Another fancy heterozygous black, homozygous polled son of Bankroll, he also carries the Red Charlie gene, which means he can sire red calves. He has a deep sweeping rib with excellent thickness and muscling. A very balanced set of EPD’s with calving ease, growth and carcass excellence.

ELLINGSON MR 680S H60

Owned by: ELLINGSON SIMMENTALS • Homo Polled 1/2 SM Bull

Tattoo: H60 • Birthdate: 2/4/20 • Act. BW: 87 lbs. • Adj. BW: 91 lbs
Adj. WW: 649 lbs. • Adj. YW: 1033 lbs. • ADG: 3.08 lbs. • WDA: 3.47 lbs.

WHEATLAND BULL 131L
Sire: WHEATLAND BULL 680S
WHEATLAND LADY 351N
W/C EXECUTIVE ORDER 8543B
Dam: ELLINGSON MS ORDER E7049
HSF MISS SKY 87U

A homozygous black, homozygous polled son of the immortal 680S, a sire whose offspring are as consistently good as any I have used. His dam side has superior calving ease which will make this bull an all around great sire with moderate birth weights along with high performance and carcass traits.

ELLINGSON PERCEPTION H61

Owned by: ELLINGSON SIMMENTALS • Homo Polled PB Bull

Tattoo: H61 • Birthdate: 2/4/20 • Act. BW: 87 lbs. • Adj. BW: 93 lbs
Adj. WW: 723 lbs. • Adj. YW: 1157 lbs. • ADG: 4.33 lbs. • WDA: 3.47 lbs.

CDI PERSPECTIVE 238A
Sire: CDI PERCEPTION 254E
CDI MISS POWER GRID 30C
HARVIE RED SUMMIT 54B
Dam: ELLINGSON SUMMIT F8047
ELLINGSON MS DAKOTA Z252

A dark red, dilution free, homozygous polled son of CDI Perception, who sires calving ease along with moderate, deep sided bulls with performance and high carcass merit. H61’s maternal side also has calving ease with top performance, quite a combination!

ELLINGSON MAINLINE H71

Owned by: ELLINGSON SIMMENTALS • Homo Polled PB Bull

Tattoo: H71 • Birthdate: 2/9/20 • Act. BW: 107 lbs. • Adj. BW: 107 lbs
Adj. WW: 709 lbs. • Adj. YW: 1142 lbs. • ADG: 3.34 lbs. • WDA: 3.46 lbs.

TJ MAIN EVENT 503B
Sire: CDI MAINLINE 265D
HOOK’S YEONCE 82B
HARVIE JDFWALLBANGER111X
Dam: ELLINGSON WALBANGER C5047
ELLINGSON MS 680S Z232

A homozygous black, homozygous polled son of CDI Mainline, the Mainline sons have great phenotype, deep sweeping middles with adequate muscle. This bull is going to sire top performance and carcass, but I would only use him on cows.
Ellingson Perception H73

- **Tattoo:** H73  
  - Birthdate: 2/9/20  
  - Act. BW: 98 lbs.  
  - Adj. BW: 102 lbs  
  - Adj. WW: 731 lbs.  
  - Adj. YW: 1350 lbs.  
  - ADG: 3.04 lbs.  
  - WDA: 3.45 lbs.

**Sire:** CDI PERCEPTION 254E  
- CDI MISS POWER GRID 30C

**Dam:** ELLINGSON MS PROOF E7047  
- ELLINGSON BEEFKMAKER Y135

This deep red, homozygous polled son of CDI Perception is also dilution free. This bull has bit more performance with higher birth weight, so I would not recommend him for heifers. However, if you want a bull that will sire great performance and carcass numbers, this bull is for you. He has the eighth highest average daily gain in the pen.

Ellingson Red Summit H82

- **Tattoo:** H82  
  - Birthdate: 2/11/20  
  - Adj. BW: 105 lbs

**Sire:** HARVIE RED SUMMIT 54B  
- HARVIE DAKOTA ROSE 11Z

**Dam:** ELLINGSON MS PROOF E7062  
- ELLINGSON BEEFKMAKER Y135

Red, homozygous polled and a powerful son of Harvie Red Summit, I just love this bulls profile and performance. He is in the top two percent in the breed for weaning and yearling EPD’s and Maternal Weaning weight, the top three percent for ADG and the top one percent for carcass weight. With a set of EPD’s like this, you can rest assured your next calf crop will have tremendous growth!
This son of Harvie Red Summit is dark red, dilution free, and heterozygous polled. I admire this bull’s phenotype, almost flawless profile, a true breeding bull look. He is similar to the other Red Summit sons with great performance and adequate calving ease.

**Sire:** HARVIE RED SUMMIT 54B  •  HARVIE DAKOTA ROSE 11Z  •  ER K32B

**Dam:** ELLINGSON MS K32B A356  •  ELLINGSON BEEFMAKER Y111

This dark red, dilution free, homozygous polled bull is also picture perfect, Red Summit really stamps his offspring consistently. He has the sixth highest adjusted 205 day weaning weight and the ninth highest weaning weight EPD in the pen. He yearling and carcass weight EPD’s are in the top one percent of the breed, and his weaning, ADG and maternal weaning weight EPD’s are in the top two percent of the breed.
This heterozygous black, homozygous polled half blood son of Growth Fund is packed full of performance. His sires impeccable EPD profile provides modest calving ease with off the charts growth and end product values. He ranks in the Angus breed’s top one percent for WW, YW, CW, SW, SF and S. He has the fourth highest weaning weight, second highest yearling weight, second highest ADG and second highest WDA in the pen, and his weaning, yearling, carcass and ADG EPD’s are in the top one percent of the breed.

Here is another exceptional Mainline son who is homozygous black and homozygous polled. He has exceptional phenotype, being deep ribbed with great muscle expression. He has the eighth highest ADG in the pen. His performance numbers are in the top ten percent of the breed, use to make those scale busting calves!

A dark red, dilution free, homozygous polled son of Rust Rio Grande, who is sired by WFL Westcott and his dam is RF Certainly Flirtin 202Z. H1009’s dam is by Captain Morgan and granddam by 680S, he combines some famous pedigrees in the Simmental breed. He has the seventh high adjusted 205 day weaning weight in the pen, fifth highest ADG, third highest WDA, sixth highest weaning EDP and fourth highest yearling weight EPD.

This dark red, dilution free, homozygous polled son of CDI Perspective has calving ease potential with superior growth numbers. If you combine his performance and carcass numbers, he really will provide a well rounded calf crop. His dam is a Red Summit out of Red Jewel so a deep pedigree. He had the fifth highest adjusted 205 day weight and ninth highest adjusted yearling weight of the group.
This red baldy, homozygous polled dilution free son of CDI Perspective looks to be a heifer type bull, should sire calving ease with top performance along with great carcass numbers to boot! It doesn't hurt to have Executive Order on the dam side to improve calving ease!

A black, polled daughter of W962, who sold to Jay Hefty of Iowa and did such a great job in his herd, I say the W962 offspring are as good as the 680S cattle with less birth weight. Her dam is an impressive Wide Range daughter going back to a Lock N Load daughter. She is as good as she looks!
A cherry red polled Perception daughter that is a three quarter blood, her dam is a fancy Mission Nexus cow out of our donor N358 cow. Perception offers breed leading calving ease with performance and carcass merit. Take a look at her EPD's and see why she is so good!

CE: 74  BW: 74  WW: 75  YW: 76

A cherry red polled Perception daughter that is a three quarter blood black homozygous polled daughter of Captain Morgan. Only because we have a large number of his daughters in the herd do we sell one this good. Her maternal line is equally impressive as her top side, her dam is an own daughter of 680S going back to perhaps our best percentage female T701 who finally left the herd this fall at almost 14 years of age. Grab a show halter, get her in the ring, take her home and put her in the front pasture!

This homozygous black polled Main Event daughter is a three quarter blood. Main Event daughters are becoming sought after replacement females because of their style, muscle, mass and performance. All the boxes are checked; take home this excellent female and enjoy!
Another fancy homozygous black, homozygous polled daughter of Roosevelt. He sires a combination of calving ease, growth, end product and cow power. He ranks in the top 10% of the breed for 12 EPD’s. This heifer is very attractive with added dimension. Watch her add power, performance and carcass to her calves.

We brought out the popular Nichols Legacy G151 semen for this mating, came up with this fancy black homogygous polled heifer. Legacy made his mark with his exceptional calving ease which we saw here, 69 pound adjusted birth weight is super low in our herd. Legacy’s daughters have low birth weight, adequate performance and excellent carcass traits. Build yourself a true calving ease line in your herd!
